**Mu Jun | OnEarth Architecture**

<https://ethz.zoom.us/j/62792871920>

Prof. Mu Jun is an Architect and the head of Department of Architecture in the School of Architecture, Xi'an University of Architecture and Technology. Graduated from The Chinese University of Hong Kong, he has practiced as an architect in several rural sustainable construction projects. His specialty is in Raw Soil Buildings and Sustainable Design Architecture. He will focus on few projects, as the recent Macha village center, and give an overview of what he did in terms of research, practice and education.
